Tummy Time Toys

Scrunch Bag

★☆☆ Easy!

How-to

Insert tied plastic bags or cellophane into a small mesh fruit/onion bag. Tie a knot at each end. Mesh must be small enough to that baby does not get fingers caught!

Shakers

★☆☆ Easy!

How-to

Pour some noisy or visually appealing items into a small plastic bottle. For example, coloured rice or macaroni; cut glitter paper; pom poms or coloured foam bits. Screw lid on bottle and secure with electrical tape.

Mirror Box

★★★ Medium!

How-to

Attach an acrylic mirror to one side of a sturdy box with tape and decorate with contact. Babies love to look at themselves and it encourages tummy time.

Aquarium

★☆☆ Easy!

How-to

Cut a kitchen sponge into fish shapes and squeeze into a large plastic bottle of coloured water. Secure lid tightly with glue and tape before use.

Snow Globe

★☆☆ Easy!

How-to

Clean a baby food jar with water and vinegar. Pour some coloured water into the jar and add some glitter. Secure lid with electrical tape. Baby can now shake the jar and watch the glitter move around!
