# Playgroup WA CELEBRATE PLAY DAY

Celebrate Play Day is our way of honouring the International Day of Play with our playgroup community—because play is at the heart of everything we do. This special day, declared by the United Nations, recognises the vital role of play in every child's life. Play supports children's development, boosting creativity, confidence, social skills, and emotional wellbeing. It's not just fun, it's essential for learning, growth, and a healthy start in life.

**I can look at the map, or ask an adult to help me if I want to find an activity.**

**I might have to line up and wait for some activities or come back at another time while the other children play.**

**That's ok, because I can do other activities while I wait.**

help

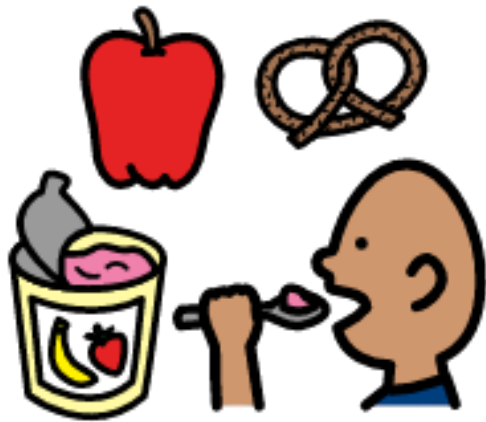

**There will be lots of other children and adults at Celebrate Play Day, so I might have to share the toys or my space. I can ask an adult for help if I need it.**

**If I am hungry or thirsty, I can have a snack or a drink.  
I can eat with the other children if I want.**
