Here is the land, here is the sky

(touch the ground)

(reach up to the sky)

Here are my friends, and here am I

(hands out to others)

(place hand on heart)

We stand together, hand in hand

Acknowledging the [_____] people

of the [_____] land

We wish to Acknowledge the [_____] people today,

For the lands on which we learn and play

We pay respect to Elders, past, present and new,

and we want to say, a big thank you
